DEQ's Acadiana Regional Office in Lafayette Changes Facilities Effective August 8, 2002

The Louisiana Department of Environmental Quality's Acadiana Regional Office in Lafayette will be moving to its new location at 111 New Center Drive, Lafayette, LA 70508 on August 8, 2002. The new office space provides more room to accommodate Department needs as it works to protect the public and the environment. The new building will include a larger laboratory and a connected warehouse to store equipment necessary to DEQ's mission. All phone numbers for the office will remain the same.

Robert Freeman, Regional Manager for the Acadiana Office, says, "I am pleased that we will be able to integrate all of our services into one central location as a result of the move. I think the office will be a great asset to the department."
